

Acknowledgement

I would like to thank to my dissertation advisors, Asst. Prof. Dr. Sunee Sathitanant, Assoc. Prof. Dr. Suwakit Sripathar, Asst. Prof. Dr. Rungson Singhalert for their very kind and generous support provided to me throughout my studies in PhD program at Regional Development Strategies in Rajabhat Maha Sarakham University.

I wish to express my very sincere gratitude to Assoc. Prof. Dr. Paitool Suksringam and Asst. Prof. Dr. Ladawan Wattanaboot for their very invaluable comments and recommendations on my dissertation. Without their very useful and constructive comments, and feedbacks for this dissertation, it will be very difficult for me to complete it with such so good quality of work done in timely manner.

I wish to thank a number of individuals and organizations who have supported me in completing with this Ph.D. dissertation.

I am very appreciated with my PhD friends who always provided me with very good encouragement and kind support and advice throughout the course of my PhD program in Thailand. Without my very good friends' support it would be very difficult for me to complete this dissertation.

I want to express my very sincere thanks to the school students, teachers, directors and community representative of Hmong Chao in Phongsaly, Nateoy in Luangnamtha, Kokpoong in Sekong, Nakoysao in Saravan and Sethathirath in Attapeu, who provided me with very good support and assistance in providing very useful data and information throughout the course of experimenting implementation Schools of Quality approach in these five target secondary schools.

With my very sincere thanks for the provincial education and sports services of Phongsaly, Luangnamtha, Saravan, Sekong and Attapue, and department of secondary education of Ministry of Education and Sports in providing me approval and support throughout the course of this research.

I highly value and wish to thank my family for supporting me in fulfilling this dissertation. Very special thanks to my most-be-loved wife, Si-Amphone Vongmany, and my lovely daughter, Aiko Siri-Arun Budcharem.

Lastly, I would like to thank Rajabhat Maha Sarakham University for providing me an opportunity to participate and study in this very significant Ph.D. program.

With all of the above mentioned support and many other people and organizations that I have not mentioned their names provided me the effort and encouragement to be able to complete this dissertation.
