Content	Page
ABSTRACT	i
Acknowledgement	vi
Table of Content	viii
Lists of Tables	xii
Lists of Figures	xiii
Lists of Pictures	xv
Chapter I Introduction	1
Background and Significance	1
Research Questions	14
Research Objectives	14
Research Hypothesis	15
Research Scope	15
Definitions of Terms	17
Expected Research Benefits	19
Chapter II Literature Review	20
Context of Education Development	21
World Declaration on World Education for All	21
Conventions on the Rights of the Child	26
Educational System in Lao PDR	27
Educational Development in Lao PDR	32
The Schools of Quality is a rights-based approach provides two basic principles for a School of Quality	35
Causal and Effect Factors on the Success in Implementation of Schools of Quality for Secondary Schools in Lao PDR	52

Content	Page
Leadership factor	52
Teacher factor	54
Student factor	55
Pedagogical advisor factor	56
Management and administration factor	56
Teaching and learning factor	57
Participation of community factor	59
Chapter III Research Methodology	62
Phase 1. A Quantitative Research Which Studies on What Causal Factors Influencing the Success of Schools of Quality in Secondary Schools	63
Phase 2. A Qualitative Research to Construct a Development Model for Implementation Schools of Quality for Secondary Schools	69
Phase 3. The Implementation and Evaluation of the Development Model of Schools of Quality for Secondary Schools	71
Chapter IV Results of Data Analysis	74
Phase 1. The Causal Factors Influence the Success in Implementation of Schools of Quality for Secondary Schools in Lao PDR	74
Phase 2. A Result from Constructing a Development Model for Implementation Schools of Quality for Secondary School in Lao PDR	85
Phase 3. The Findings from Experimentation and Evaluation of The Development Model for Implementation Schools of Quality	115
Chapter V Conclusion, Discussion and Recommendations	124
Research Objectives	124
Research Hypothesis	124
Conclusion and Discussion	125

Content	Page
Recommendations for further study	136
Bibliography	138
Annexes	143
Annex A: Letter of Assignment the Research Specialists to examine the research instrument	144
Annex B: Questionnaire (English and Lao)	149
Annex C: The results of Statistical Data Analysis	171
Annex D: List of 116 Secondary schools of the sample	181
Annex E: Pictures of Activities Implemented	188
Author's Biography	203

Lists of Tables

Table	Page
1. Numbers of Secondary Schools by Province	63
2. Numbers of Secondary Schools and Sample in Each Province	65
3. Numbers of Questions for Each Factor	67
4. The initial data analysis on Mean, Standard Deviation, Skewness, and Kurtosis of Independent variables	77
5. Correlation Coefficients of the Independent and Dependent Variables	78
6. Pearson correlation of the independent and dependent variables using in the research	79
7. Goodness of Fit Index of Theoretical Hypothesis & Modification Model	81
8. Correlation Coefficients of exogenous and endogenous variables	82
9. The schedule of training on teaching and learning	117
10. The schedule of training on school management	118
11. The schedule of training on Schools of Quality orientation	119
12. The Level of Success based on the 6 Dimensions of Schools of Quality	120
13. The hypothesis testing result from experimentation of the development model for the pre-test and post-test by using Wilcoxon Signed Ranks Test	120

Lists of Figures

Figure		Page
1	Map of Lao PDR	1
2	Education System in Lao PDR	7
3	Secondary Education System in Lao PDR	8
4	School Academic Year in Lao PDR	9
5	Education Management Administrative Structure in Lao PDR	10
6	Map of the five target provinces in Lao PDR	13
7	Education Administrative Structure in Lao PDR	29
8	Ministry of Education and Sports Organizational Structure in Lao PDR 2013 ..	31
9	The New School Organizational Structure of the Lao PDR	34
10	The Research Conceptual Framework	61
11	The research process in all of the three phases	73
12	Path Analysis of the Initial Theoretical Hypothesis Model	80
13	Path Analysis of the Final Modification Model	80
14	A process in constructing a model to develop leadership	86
15	A model to develop leadership for Schools of Quality in secondary schools ...	88
16	The process in constructing a model to develop teaching and learning	90
17	The teaching and learning method of Schools of Quality approach	92
18	A model to develop teaching and learning for Schools of Quality approach	93
19	The process in constructing a model to develop school management	96
20	A model to develop school management for Schools of Quality approach	98
21	A process in constructing a model to develop participation of community	102
22	A model to develop participation of community	104
23	A process in constructing a model to develop school leadership	110
24	A model to develop leadership for Schools of Quality approach	110

Figure	Page
25 A process in constructing a model to develop teaching and learning	111
26 The teaching and learning method of Schools of Quality approach	111
27 A process in constructing a model to develop school management	112
28 A model to develop school management for Schools of Quality approach	112
29 A process in constructing a model to develop participation of community	113
30 A model to develop participation of community for Schools of Quality	113
31 A development model of Schools of Quality for secondary schools in Lao PDR	123

Lists of Pictures

Picture	Page
1 & 2	The experts were seated in small groups and discussed on the draft constructed development model of Schools of Quality approach 189
3 & 4	The experts commented on the draft constructed development model of Schools of Quality approach and provided feedback for the researcher 190
5 & 6	The result, comments and feedback from small group discussion were shared for plenary discussion in the brainstorming session 191
7 & 8	From the brainstorming session, the experts' comments and recommendations on the model were summarized for revising and finalizing it 192
9 & 10	Workshop on school leadership: Group work exercise on leadership characteristics for SoQ 193
11 & 12	Workshop on school leadership: group work on school self-assessment and school child seeking mapping exercise led by school directors 194
13 & 14	Workshop on school leadership – picture 13 & 14: group work on school development planning exercise led by school directors 195
15 & 16	Workshop training on Schools of Quality teaching and learning approach for school teachers in the five experimenting target schools 196
17& 18	Workshop training on Schools of Quality teaching and learning focusing on child-centered approach 197
19 & 20	School children are working in group of four to six students 199
21 & 22	School children are working in group of four to six students “My School Day” 200

Picture		Page
23 & 24	School children work in pairs and in groups	201
25 & 26	Students learn from observing the bio-ecosystem around their local environmental context	202
